How Did You Hear About This Scholarship?

I declare that the above information is accurate. I undertake to report any material change in my financial or academic circumstances.

Signature of candidate

Date

The scholarships are for one academic year only. To apply please send 3 sets of the completed form together with 3 copies of each of the following:

A letter of introduction about yourself and why you wish to study in the UK

An up to date CV

A copy of your letter of acceptance from your university

Two letters of recommendation, one from your professor or tutor and one other from former employers or commanding officers (must be on headed note paper)

We also require you to complete the financial statement in the form as to how you will finance your studies since the scholarships awarded are only between £500 and £2000.

To apply for support for additional academic years – another complete application form together with a report from your professor as to your progress, and a covering letter must be submitted by 30th April annually each year. You may also apply for a part year for “writing up”. The award of a further scholarship is not automatic.

This information should be sent by normal airmail, not special delivery, since the office is not manned 7 days a week. Scholarships are awarded once a year and all applications should arrive no later than 30th April annually.

1. Please do not staple documents together. Only use paper clips.
2. Only use one side of the page.
3. Please provide three copies of all documents.

Please send completed documentation to:
